

## **Academic Achievement Awards 2020/21**

Qualifications for Academic Achievement Awards are:

95% or better Attendance  
Grade of B or higher  
No discipline marks

With attendance having been greatly impacted by hybrid schedules, adaptive pauses, quarantines, and other factors as a result of COVID, it was determined that this year Academic Achievements could not be fairly determined and awarded.

## **Perfect Attendance Awards 2020/21**

With attendance having been greatly impacted by hybrid schedules, adaptive pauses, quarantines and other factors as a result of COVID, it was determined that this year Perfect Attendance Awards could not be fairly determined and awarded.

FVCC staff look forward to the return of both the Academic Achievement Award and Perfect Attendance Award in 2021/22

**Will you be a recipient of one or both?**
