

COLLEGE CREDIT FOR FVCC CLASSES

ELGIN COMMUNITY COLLEGE

Elgin Community College and Fox Valley Career Center, based upon our mutual concern for the continued growth of students who wish to pursue career/technical and academic education, and in an effort to provide a continuing articulated program that builds on past learning experiences and eliminates unnecessary duplication of instruction, mutually subscribe to the following: Students who complete each semester of high school course(s) listed below with a "B" or better final grade will be granted college credit for Elgin Community College. High school students who complete the FVCC courses will have learned and be able to demonstrate proficiency in the Elgin Community College course(s) Learning Outcomes and Topical Outline Summary. A student must become a registered student at Elgin Community College within 27 months following high school graduation. Following is a list of courses at FVCC for which articulated credit can be earned. See your guidance counselor or career/technical instructor for the "College Credit Articulation Forms." For a complete list of requirements call the Elgin tech prep office at (847) 214-7584 or visit their web site at www.elgin.edu/techprep.
