FVCC provides education programs in conjunction with the home school districts. Unlike your home school, participation in FVCC classes is considered a privilege based on program availability and good conduct. Any discipline applied by FVCC for conduct while you are in attendance will not affect the right of your home school to apply its own discipline and follow its own disciplinary procedures with regards to the same conduct.

Student Guidelines continued-

Attendance

Attendance at Fox Valley Career Center is very important. We believe that student attendance is an integral part of the total learning experience. A student learns and experiences something new each day. It is imperative that a student be in attendance to take advantage of the educational and workplace opportunities we provide at FVCC. Frequent absences from work is one of the primary causes for employee termination. When hiring Fox Valley Career Center graduates, employers inquire about the individual's attendance record at school.

Students who do not attend their home high school classes are not permitted to attend their FVCC class unless authorized to do so by a home high school administrator.

Students who violate this policy will be subject to discipline at the discretion of FVCC Administration.

Student absences are reported to each of the home high schools during each session every day. The home schools determine whether an absence is Excused or Unexcused. Absences from FVCC that are related to home school activities; field trips, testing, sport events, assemblies, etc..., are not counted against the student and are eligible for perfect attendance.

In addition to affecting a student's grade for coursework, attendance is considered in determining awards, scholarships, National Technical Honor Society membership and participation in field trips and SkillsUSA regional, State, and National competitions. Some FVCC courses also require students to meet attendance guidelines mandated by state or national guidelines to be eligible for the certification or licensing exam.

Attendance Categories

Excused absences- Students who are considered excused absence at their home school will be considered excused absence at FVCC.

Unexcused absences- Students who are considered unexcused absence at their home school will be considered unexcused absence at FVCC. Students who have an unexcused absence will forfeit participation points earned in their FVCC class for the day and; at the instructor's discretion, may not be allowed to make up assignments missed during unexcused absence days. This can affect student's ability to participate in field trips, internships, and other FVCC activities.

Tardies- Students who arrive late to class are expected to sign in at the FVCC main office. If students have a pass, or have a pre-arranged late arrival time will be considered on time. Students arriving late to class without a pass will be considered unexcused tardy. Three unexcused tardies are equal to one unexcused absence. See unexcused absences and general attendance information for potential consequences.

Home School Functions and Field Trips- A student who misses their FVCC class due to a function or field trip at their home school will be excused from their FVCC class.

Home School Non- Attendance Days- Students whose home schools are not in session on days when FVCC is holding class are not expected to report to their FVCC class. However, students are allowed to attend on these days with prior approval. (see driving policy).

Attendance categories continued-

Cosmetology students should abide by their cosmetology school contract in regard to attendance days.

Absence Due to Suspension-

A student that misses their FVCC class because they are serving a suspension at their home school will be considered suspended from FVCC as well.

Attendance Policies

1. Make-up work will be allowed for classroom work missed during an absence; however full credit for that work is at the discretion of the instructor. Lab work may not be available depending on the lab work missed. Instructors may assign additional written work to replace time lost in the shop/ lab.
2. **This Attendance Policy will be reviewed with the student and must be signed by the students and parent/ guardian and placed on file in the FVCC office. (see form at the back of the Student Handbook)**
3. The Assistant Director will serve as the attendance officer to review unusual circumstances and to decide upon the application of the policy to situations which may not specifically be covered by the written policy.
4. When the 5th day of absence has occurred, the program instructor will speak to the student. At that time the student will be made aware that future absences for the semester may be subject to the above rules. The parent/ guardian may be notified.
5. When the 6th absence occurs, the Assistant Director will contact the student's parent/ guardian. A conference between the student and parent/ guardian may be requested.
6. The parent/ guardian of a student that has 10 absences; whether excused or unexcused, will be contacted by letter by the Assistant Director. A student and parent/guardian conference with the Assistant Director may be requested.
7. Students that are granted medically excused absences by the home school will be handled on a case by case basis.
8. Due to industry, state, or national guidelines, absences may impede the student's opportunity to participate in state licensing opportunities, and access to field trips and internships.
9. Students who have repeated absences will have their status reviewed by Fox Valley Career Center and the student's home district. Excessive absences may affect the student's opportunity to return to Fox Valley Career Center.

The FVCC Assistant Director will review student attendance and has the authority to decide upon the application of the policy to situations which may involve extenuating circumstances such as hospitalization, etc...

Emergency closing

If weather conditions or emergency situations arise which make it necessary to cancel FVCC classes for the day, FVCC will notify the home high schools and post notification on our website, www.foxvalleycc.org. As our administrative district, Kaneland District 302 has the authority to direct the FVCC administration to cancel classes at the discretion of the Kaneland Superintendent. Any time Kaneland School District 302 cancels classes for the day, all FVCC classes will also be cancelled.

Additionally, FVCC administration has the authority to cancel classes where students are required to drive; cosmetology and health occupations, if it is determined that road conditions would make driving hazardous for students. In such cases, the instructors and/ or FVCC administration will make every effort to contact those students affected.

Parents may choose to excuse their student(s) if conditions arise in which they feel it is unsafe for their student(s) to drive. In this instance, parents should call their home high school to excuse their student from their FVCC class for the day.

A reprisal or retaliation against any person who reports an act of bullying is prohibited. A student's act of reprisal or retaliation will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

A student will not be punished for reporting bullying or supplying information, even if the school's investigation concludes that no bullying occurred. However, knowingly making a false

accusation or providing knowingly false information will be treated as bullying for purposes of determining any consequences or other appropriate remedial actions.

Engaging in teen dating violence that takes place at school, on school property, at school-sponsored activities, or in vehicles used for school-provided transportation is prohibited. For purposes of this policy, the term teen dating violence occurs whenever a student who is 13 to 19 years of age uses or threatens to use physical, mental, or emotional abuse to control an individual in the dating relationship; or uses or threatens to use sexual violence in the dating relationship.

The administration at FVCC takes student safety and security seriously. As such, the following policies are in effect:

1. Guns, ammunition, knives, and other weapons are hazards to a safe learning environment. FVCC; through Kaneland District 302, has established a policy that prohibits guns, ammunition, knives and any other weapons from school property. Minor misbehavior may include, but isn't limited to insubordination, failure to follow a directive, inappropriate behavior which disrupts the learning environment.

Level II: Repeated misbehavior, Safety Policy violations

Students who do not wear the mandatory safety equipment; steel toed boots, closed toe shoes, safety glasses, gloves, etc..., will not be allowed in the lab. Any student that causes an unsafe environment will be removed from the lab and may face disciplinary consequences.

2. The administrator initiates disciplinary action by investigating the infraction and conferring with all parties about the misconduct and disciplinary action to be taken.
3. The administrator meets with the student and/or teacher and decides on the most appropriate disciplinary action.

Search Of Vehicles

Upon entering school grounds, the person driving any vehicle is deemed to consent to a complete search of the automobile by school officials or police. If any person other than the driver is the current custodian of the vehicle, consent to search is deemed given by the custodian also. The area of search will include the entire passenger compartment, engine compartment, trunk and all containers therein, locked or unlocked, and the undercarriage. Any individual who uses Kaneland C.U.S.D #302 property to park his/her vehicle is responsible for the contents of that vehicle.
